Hospital Scheme Meets Much Opposition

But Committee's Sub-Hospital Proposal Carries With Amendments

The meeting of the general hospital board for the proposed new hospital district, with Calgary for a centre, which was held on Wednesday and Thursday of last week, was quite stormy at times, especially the sub-hospital recommendations of the committee, and the acreage tax proposal.

It looked for a time as if the scheme would go under altogether, but finally a compromise was reached. Most of the opposition to the taxation scheme came from the ranch lands to the west of Calgary, and elsewhere the opposition was dictated by local feeling as to the locations of the proposed sub-hospitals.

The original proposition of the committee was for arrangements being made with Calgary hospitals for major cases being handled there, for ten sub-hospitals at Strathmore and Glenoch (Glenoch being conditional on more territory being taken in, and for five sub-hospital at other points, with several district nurses, for points not served by hospitals.

At last week's meeting the committee sub-hospital proposals were amended to the extent that all hospitals were cut down to five beds, buildings being leased instead of new ones being built. Several changes were made as to the location of hospitals, Strathmore facing the proposition in favor of five-bed.

The committee's proposal to establish a five-bed hospital at Glenoch, to be enlarged to ten beds providing adjoining areas in the Blackfoot Indian reserve and in townships 20 and 21 were again, was cut down to a straight five-bed hospital.

Strathmore's bid for a five-bed sub-hospital was rejected and cut out of the committee's recommendation. The towns made strong efforts to get this hospital, but by an overwhelming vote of the members of the board, it was decided to locate it at Rockford on the C.N.R.

With Strathmore, as in the case of Glenoch, after a long fight, the committee decided to cut down the original committee proposal for a five-bed hospital there to a five-bed sub-hospital at present Okotoks, Calgary and Acme all with by the original recommendation of five-bed sub-hospital, but Acme had a narrow escape, the towns of Granger and Bieleker both making strong bids for this hospital and getting considerable support.

To Lease Buildings
The final decision of the committee at the afternoon session was not to build any new hospital structures for these proposed sub-hospitals, but to lease existing structures, and to adapt the arrangements to suit the requirements for a year, at the end of which period elections in the district may make a further change.

At the beginning of the afternoon session, William Moole, of InVinton, nearly stirred up another fight, that all residents in the district be required to pay a tax of \$7.50 annually, to meet taxes, in order to meet the expenses and office per the towns who might not other. The taxable A. K. Whiston, secretary, of the municipal hospital board, thought that such a tax would be ultra vires of the hospital act. However, it was decided to leave the subject over until the session of the sub-committee's report dealing with taxation were taken up.

Apportion Expenses Equitably
C. H. McFarquhar, of Calgary, asserted that the board should accept the principle of equitable apportionment of expenditure by the board throughout the entire district and, after a brief discussion, the motion carried first and three against.

Mr. McFarquhar then moved to strike out all that portion of the clause providing for the enlargement of the five-bed hospital to a ten-bed institution in case more territory was taken in, and another long argument ensued, in which much of the ground gone over at the morning session was again traversed. Before voting on the proposal the delegates, however, dealt with one last of the other towns recommended for hospital service. An effort was made to amend the recommendation for ten-bed hospital to be built at Strathmore to read nine beds, in order that an existing building there might be leased instead of a new one built. The result was that the committee finally cut the recommendation to a five-bed sub-hospital instead with the understanding that the structure might be leased and more beds used if required.

Langdon Loses Out
W. A. Greer, of Langdon, made a hard fight to get the Strathmore hospital for his own town, claiming there was twice as much population in his municipal district as in Strathmore. He failed to convince the board however.

A. H. Macdonald, of Granger, who has been putting up a consistent fight against all sub-hospitals at all points, with instructions from his municipal council, when he saw he was outnumbered, made the proposal that no sub-hospital be established within 20 miles of Calgary. This proposition also failed to pass.

Mr. W. E. Brown described in detail the work of the Strathmore hospital and the desire of the local authorities to keep up the task which has been already well begun.

Rockford Gets One
Dr. M. E. Tiffin, of Rockford, put forward the argument which largely convinced the board in favor of a sub-hospital at that town, instead of Granger and Acme, both recommended for sub-hospitals, were only six miles apart, compared to the long distance of Rockford from Calgary or any other hospital point, and that a hospital at Rockford would also serve the towns of Bowhead, Red E. G. McCauley, of Granger, instead of other points on the C.N.R. and that that town was best situated for any for a hospital district centre, and that eventually would embrace more territory in its scope, but he was finally outvoted.

Arthur Wheeler, the Acme delegate, also argued strongly in favor of his town when the proposal to locate a sub-hospital there was attacked, but it was largely the argument of J. A. Grant, of Black Diamond, which saved the Acme proposition. Mr. Grant stood out against transferring the recommendation for a sub-hospital at Acme to either the towns of Bieleker or Granger, on the ground that the towns which had the poorest train service to Calgary were the ones which needed the sub-hospital most for emergency cases.

Want Sub-Hospital
Mr. McDonald, who opposed the sub-hospital idea on instructions from his council, when he saw the sub-hospital being passed around, made an argument for one for Granger, but he lost out. As one of the concluding features of the afternoon session, he finally succeeded in getting a motion put to the committee, proposing elimination of sub-hospitals and the sending of all patients to Calgary, supporting it, he said that if Calgary could not provide necessary accommodation, his district would be willing to go to the point of giving some assistance or even erecting another building at the logical centre. The proposition was rejected, chiefly on the ground that it would tend to draw doctors away from the country towns into Calgary. The vote stood sixteen against his motion to five for.

A miscellany has been going around poisoning dogs in this district lately. Mr. Joseph's Albinus was poisoned on Thursday, Mr. G. F. Butler lost three Airdales also, and Jack Cleve had three coyote hounds poisoned.

A miscellany has been going around poisoning dogs in this district lately. Mr. Joseph's Albinus was poisoned on Thursday, Mr. G. F. Butler lost three Airdales also, and Jack Cleve had three coyote hounds poisoned.

Wedding at Keoma

The wedding takes place today at the home of Mr. S. E. Allison, Keoma, of Miss M. H. Allison to Mr. Art J. Wilgig, of Namaka. Details of the happy event will be published in our next issue.

Armistice Day Holiday Tomorrow

By order of the Mayor, tomorrow (Thursday), Armistice Day, will be observed as a general holiday. All stores and businesses should therefore close at 1 p.m.

Two years ago the world came out of the Valley of the Shadow of Death, and while it is fitting that the day should be celebrated with joy, yet we should not forget to thank God and the allied armies and navies that we are living as free men and women to-day.

QUEBEC'S FIRST MEMORIAL TO SIR WILFRED LAURIER UNVEILED AT IDEVILLE, QUEBEC

Telephone Extensions Soon

Mr. McBeth, Superintendent for Southern Alberta, was in town on Thursday. He gave out, while here, the welcome information that a number of additional rural phones would be put in from Strathmore exchange within the next two or three weeks, provided the weather was such that work could be done. The construction gang was at present putting in phones at Langdon and Chedoke exchanges, and were working east, so that they should be in Strathmore district next week.

Among the phone lines to be undertaken in one of the Ardenode district, the north, which has been absolutely without telephone facilities, with the exception of a trunk line put in last summer, which touches at Ardenode and Nightingale.

A line south west, through Mr. Harry Groves district, and several others that have been petitioned for will be constructed at the same time, provided the weather is favorable.

Mr. McBeth states that the delay in constructing these lines has no doubt been very expediting but it was due to the fact that the Department was unable to obtain material, and also to shortage of labor.

Mr. W. D. Heron, last week took up duty as local manager of Strathmore telephone exchange. This is in addition to the present staff of four, three day-operators and one night operator. Mr. Heron is well-known locally, having been here several years ago a stroumbler.

Tax Sale

The town of Strathmore held a tax sale of late in arrears of taxes under the new Tax Recovery Act on Saturday evening in Town Hall. Mr. P. H. Lilly officiated as auctioneer, and delivered the inevitable diatribe on an occasion such as this by some humorous sallies, keeping the crowd entertained for a couple of hours.

Though there was a good crowd in attendance, bidding could not be said to be brisk, and nearly all the lots sold at the minimum upset price, while large numbers were bid in by the town.

Of course, most of the properties regarded as of any value had been taken off the list previous to the sale by the payment of arrears, and again those buying had not the privilege of taking possession for a year.

All the buyers were by local men. The upset price was the 1919 taxes, the Council considering that it was better for vacant lots to become the property of the town than to be bought in at a trifle by parties who might have any intention of paying future taxes.

The Bradley quarter section was the subject of an appeal by its owners to the Public Utilities Board, and we understand that the decision will result in the town getting about \$1600 in full of the arrears, which is to be paid in immediately.

The sale will have the effect of putting the town finances into very good shape and discharging most of the indebtedness owing the bank.

Armistice Dance

Another of the series of successful dances which have been held monthly since the beginning of the season in the King Edward Hall will be brought off on Friday evening, November 12th. Music is again being provided by Watson's four-piece Calgary Orchestra, and the arrangements are on the same lines as last dances. A good attendance and an enjoyable time are assured.

QUEBEC'S FIRST MEMORIAL TO SIR WILFRED LAURIER UNVEILED AT IDEVILLE, QUEBEC

Montréal, October 19th, Berrville, P.Q. today paid respect to Sir Wilfred Laurier by turning out en masse to witness the unveiling ceremony of a beautiful column surmounted by a bust of the late chieftain. Many of the old leader's staunch adherents and Lady Laurier attended the ceremony. This memorial is the first to be erected to the late statesman in his native province.

G.W.V.A. Holds a Successful Dance

A very successful dance was held on Friday evening in the Opera House under the auspices of Strathmore G.W.V.A.

There was a large attendance, and dancing was engaged in with much enjoyment until an early hour in the morning.

The music was by Mr. Trainor's Orchestra, and was, as usual, first-class. Thanks are due to Mr. H. Little for several numbers contributed while the orchestra were enjoying a well-earned supper.

The ladies of the G.W.V.A. auxiliary contributed the supper, and it was put up in fine style, and does the ladies much credit. Mr. Rube Gardner was chairman of the G.W.V. in charge, and they handled everything very well and with satisfaction to all of the big crowd.

The G.W.V. are purposing holding a concert in the near future, and also a dance on New Year's night.

A sad affair happened on Saturday evening. A local man got a prescription, and found there was no poison in it, and found there was no poison in it.

Don't forget Saturday's U.F.A. meeting at King Edward Hotel

Article on Royal Arch meeting received too late for insertion in this issue.

Mrs. Dick Jacobs and family have left on a three months visit to the States.

Mrs. Ellen Way arrived home on the 25th after visiting six months on her homestead near Grande Prairie, Alberta.

Mr. Ed. F. Werling, having completed running the threshing outfit for Mr. Green, will now be connected with Strathmore Motors. Werling does not need an introduction to the automobile field, as he has been in the business here for the past four years.

The ladies of the Union Church are giving a Chicken Dinner, Thursday, November 25th at 5 p.m. There will also be candy and aprons for sale. A social concert will follow the supper.

Remember the Hospital Jelly and Preserve Shower, November 17, at the home of Mrs. W. C. Tucker. If for some reason you cannot come, then leave your order at any time at Garrett's Store, Mrs. E. E. Thompson or Mrs. W. C. Tucker.

Mrs. T. B. Harries, A. W. Hopkins, and J. M. Brand, of Strathmore and Dr. Koch, Ardmore, attended the 40th annual convention of the Veterinary Association of Alberta, at Calgary last week.

Rev. H. D. Marr, of Calgary, will give a lantern lecture on the "Canadian Bible Society Work" in the Union Church on Tuesday at 8 p.m. All denominations co-operate in this work and a large audience is looked for to this instructive and interesting lecture.

Prince Rupert, British Columbia.—Orders have been placed during the month with the Prince Rupert Dry Dock and Engineering Company for five steel oil tank steamers of about 4,500 tons each for the French Government. It is understood that this order will be financed under the Dominion Government's Alibi-Shipping Act, which the Government advances fifty per cent. of the cost and the builder and buyer each twenty-five per cent.

Local Jottings

OF LOCAL INTEREST
Readers are requested to send in items for this column not later than 12 o'clock Monday noon preceding day of publication. All local news items are welcomed by the Standard, Phone 17 or 68.

Mr. and Mrs. H. J. Anderson celebrated their 49th wedding anniversary on Sunday, and entertained a number of relatives and friends to turkey dinner on the occasion. We wish Mr. and Mrs. Anderson many more years of married life and happiness.

Mr. R. C. Jessup, of the Nanaimo News was a visitor here on Sunday.

Fred Palmer won the first prize at a masquerade dance in Drumheller as "Charles". Fred Palmer was costumed as a "mascara washerman". Mrs. G. Stoll, of Bluevale, Ontario, is at present on a visit to her daughter, Mrs. Harry Van Horn.

Mr. and Mrs. Seymour, Mrs. North, and Mr. and Mrs. G. North leave this week for Inglewood, Cal. The departure of these two families is a cause of much regret, they have been among the early settlers in the district. Mrs. North, senior, is now in her 84th year, and considerations of her health is the main reason for the departure of the North and Seymour families.

An amateur concert in aid of the Baseball Club will be held here sometime previous to the new year. Constable Pakenham, who has a fine reputation as a actor and concert pianist, is in charge of the arrangements.

Chief Constable Anderson, of Red Deer has a fine method of dealing with Halloween disturbers. He rounded up all the boys the following morning and had them replace everything knocked down or removed.

Mrs. F. M. Deane returned from a three weeks visit to Mr. and Mrs. Werling, Enfield, last week, and Mrs. Ellen Way returned from a visit to her homestead last Friday.

Mr. D. Gardner has bought the Seymour house and moves in this week. Mr. R. H. Liggett, Inspector of

Schools for the district, moved his furniture from Bassano to Strathmore this week, and has now taken up residence in the McMillan house on Sixth Street. Mr. and Mrs. Liggett will, we have no doubt, be valuable assets to the community, and we are pleased to welcome them here.

Mr. R. Beach has rented Mr. With's house on Fourth Street previously occupied by Mr. R. Gardner.

Mr. R. W. Jenkins is again taking possession of his house on Third Street. Mrs. Jenkins and family moved up from Redcliffe some weeks ago, and are at present staying with Mr. and Mrs. Ray Prince until they can get into their house, which is at present rented by Mr. Beach.

Miss M. Patterson, Hudson, Ontario visited last weekend with her uncle, Messrs. B. A. and H. J. Anderson, last weekend. She is at present on the staff of the Bank of Commerce in Calgary.

Messrs. Joe Smith and Herb Harmer are contemplating the formation of a skating rink here this winter. It is true that they were getting some skating has already started on the lake.

Messrs. W. M. Sellar, Deputy Provincial Commissioner for the Province, and W. V. Newson, Deputy Provincial Treasurer, were visitors to Strathmore last Friday. Mr. Sellar was on a visit of inspection. In regard to the former Star Restaurant, he condemned it for occupancy until it was reconstructed. Mr. Newson, speaking in regard to the sale of Gold Bonds and Saving Certificates said that the public were responding exceedingly, and that their advertising in the financial newspapers had been productive of immediate and large results. The principle of borrowing at home is a very sound one and it keeps the indebtedness within the province.

A magnificent memorial to the soldiers of the district who died in the Great War was unveiled there on Tuesday, with appropriate ceremonies. The unveiling was undertaken by General A. H. Bell, commander of Military District 13. The opening of the new Agricultural School by Hon. Thomas Macdonald, also took place on the same day. In the evening a banquet was given to the returned men of the town and district.

FORMER LANGDON MAN RISES TO GREAT WEALTH

From being a barber at London and working around the hotel there little less than ten years ago, Marshall A. Cook now possesses his own private railway car, and his bank account runs into seven figures.

Mr. Cook was for a considerable time as a young man around Langdon, and afterwards held office as secretary of the Conservative Association at Calgary, according to information given us by Mr. W. J. Miller, of Chedoke. He afterwards went down into Kansas, and has made a fortune in oil. The present millionaire spent his boyhood days in Brandon, and he spent a day off at Brandon lately visiting a number of his old friends here. The following paper is taken from the Brandon "Sun."

In 1901 he left Brandon and then went on a long series of investments which finally wound up in January, 1918, by his taking over the Peabody oil fields, with his partner W. H. Forrester. Since that time the oil interests have grown to such an extent that Mr. Cook need worry no more about high cost of living.

His private car is one of the finest ever driven over the C.P.R. and costs in the neighborhood of \$15,000. It is completely outfitted and is done throughout in Persian mahogany.

Mr. Cook is now returning from a two month's holiday in California.

BROOD SOWS

To the Editor:—
During the past few weeks the Department of Agriculture has received a number of requests for information as to where brood sows may be secured.

It is evident that there will be a demand throughout the fall. Many have sold entirely out of their brood farmers during the past two years. The stock of sows and pigs that are now being raised is somewhat in price, some of these men are anxious to again become established in the business but find an local supply from which to secure a start. The matter was discussed by the Live Stock Commissioner of the Department of Agriculture, the Minister's Representative of the Dominion and with the commission firms at the Edmonton and Calgary Stock Yards.

It was agreed that a considerable number of good brood sows are now passing through the stock yards and are being bought by the packers for slaughter. Arrangements have been made with the Live Stock Exchanges at these yards to fill orders for brood sows. The Department will place a representative in the yards to see that the farmers' interests are looked after. Packers are advised to generate sows from local shippers if possible, which will save freight to and from the central yards. Those wishing to purchase from the Stock Yards should communicate with the secretary of the Edmonton Live Stock Exchange, Live Stock Yards, Edmonton or Calgary Live Stock Exchange, Alberta Stock Yards, Calgary, forwarding \$1.00 deposit per sow with the order, the balance to be paid on delivery. This order will be turned over to a commission firm at the Stock Yards and no sow sows as possible shipped on these orders.

S. G. CARLISLE,
Live Stock Commissioner.

A RAY OF HUMAN KINDNESS

During the Great War the nations of the world were divided into two formidable groups. The thoughts and feelings of mankind then sought clearly defined channels through which to win victory for their respective sides, each of which strove for domination. In nations where military operations are ended great masses of men and women, released from the rigors of war, have given way to their feelings of unrest and general disturbance has resulted. Man's hand is against his fellowman, class against class, capital against labour, handicrafts against thinker, all seemingly engaged in a selfish struggle.

But in the midst of the dark turmoil one brilliant ray of human kindness beams. The League of Red Cross Societies, once thirty nations, now has undertaken the heaviest task of trying to prevent typhus from breaking the heart of the world, and to relieve the want and suffering of the millions of orphan children of Europe.

In Canada the arrangements for the receipt of contributions to the Fund for the Armistice Week are being made by the Canadian Red Cross. Each Provincial Division will have charge of the organization in its own territory, and will cover every locality through its local branches. All who are inter-

THE MILKING OF COWS

point of economy and safety that a cow yields 60 pounds of milk a day should be milked three times. Both Professor Tremen and Professor Barton are agreed, however, that unless the udder is over distended there is little to be advantage to be gained by milking three times a day. Those who are agreed in the opinion that cows be milked twice or three times a day? To the average reader this may seem of small concern. To the farmer and dairymen it is a question of considerable interest. Tests

have recently been made in Nova Scotia, Quebec, and Ontario. Professor Barton of Macdonald College says

For the first time Alberta cattle will be represented at the Guelph Winter Fair which takes place in December and is one of the principal live stock exhibitions of the Dominion. A number of prominent breeders of the province have already made arrangements to ship their cattle.

PROTECTION

Against Price Reduction in Tractors

HART-PARR COMPANY ANNOUNCES LIBERAL POLICY WITH BUYERS.

The Hart-Parr Company, manufacturers of tractors at Charles City, Iowa, have announced that they will protect every person who purchases one of their tractors against a reduction in price before June 1. If through reduction in manufacturing costs it is possible to reduce the price of their tractor before June 1, they guarantee to refund to owners who purchase tractors between now and June 1st, the full amount of that reduction.

They state that in their opinion lower prices in manufacturing must be based on lower prices for raw materials, and the stimulating of quantity production. If that time comes before June 1, 1921, every farmer owner of a Hart-Parr tractor becomes a partner of the Company and shares with them the full extent of the reduction.

Take advantage of this offer and buy your tractor from

To encourage the following of teaching as a profession in the provinces, the Department of Education is making three interesting experiments. First, that of subsidizing free dwellings of rural teachers; secondly, that of loaning money to suitable candidates to enable them to take a course at Normal school; and thirdly, of establishing a minimum salary.

For number of The Agricultural Gazette of Canada, Professor Wade Todd

also contributed to a solution of the same problem by giving results of tests made at the Ontario Agricultural College. The tests are to be continued and Professor Todd hopes to be able to give a more definite opinion another year than he does at present. In the meantime he shows that three hundred purchased cows gave more by three than by twice milking a day. His present conclusions however are the same as those of Professors Burton and Thomson.

HOSPITAL MEETING

(Continued from front page)

In a three-hour session Wednesday afternoon in the Calgary council room, the board of the hospital district of Calgary met so far as to endorse the tentative agreement reached between the city hospital committee and the special committee of the board, with respect to changes to be made for care of rural patients in the Calgary General Hospital and also endorsed a new proposal presented from the Holy Cross hospital for a lump charge for admission of the care of a not smaller number of rural patients sent to that hospital. The board accepted responsibility for the payment of charges for patients in these hospitals from the Calgary rural hospital district. The board will again Thursday morning and afternoon to consider further the establishment of sub-hospitals as outlined in the hospital plan.

The board will pay the Holy Cross hospital on the following basis, the figures for which were presented to the board by the officials of that hospital only the day previous. The guarantee of five beds yearly \$4,250. For guarantee of ten beds yearly \$5,750. For guarantee of 15 beds yearly \$7,250. Special services will be charged extra.

General Hospital Plan

The board will pay the Calgary General hospital on the following basis: For general, semi-private and private ward patients, the actual cost per patient per day, less government grant.

For special services, the actual cost. For maternity ward, actual cost. For operating room, major \$5.00 case, for minor \$2.00 case. For case room, maternity, general ward, \$1.00 patient, semi-private, \$2.00 patient, for private \$5.00.

Further than to endorse these arrangements with the city hospital the board made little progress Wednesday in the three hours they were in session.

L. D. NESBITT BUYS BASSANO MAIL

Mr. L. D. Nesbitt, of the Brooks Bulletin, has taken over the ownership of the Bassano Mail from the local Company who had owned it for some years.

While retaining his interest in the Brooks Bulletin, he is moving with Mrs. Nesbitt and family to Bassano, and on Saturday evening last was the recipient of a presentation from the citizens of Brooks, by whom he is held in very high esteem.

Mr. Nesbitt is well known locally, having been at one time in London, which, however, after a year's trial, proved unequal to the task of supporting a newspaper. He married about that time a daughter of Mr. Bert Haffman. In his capacity as D.D. G.M. of Masonic District No. 7, he visited Strathmore several times during his term of office which terminated last summer.

It is of interest to recall that the first issue of the Bassano Mail, which succeeded the Bassano News, was printed at the Standard office, Strathmore, the equipment for the Mail not having arrived then. Mr. J. R. Sharp was then at the head of the Mail. By his death at Vimy Ridge in 1917 a career full of promise was terminated.

The citizens of Bassano are to be congratulated on securing Mr. Nesbitt as a citizen, and to control their news medium.

Wagonload Farmers

AND OTHER GRAIN GROWERS

Don't fail to come to the U.F.A. meeting on Saturday, November 13th, in the King Edward Hotel, Strathmore, at 2.30, when grain prices and other grievances will be taken up.

SUBJECTS FOR DISCUSSION

- (1) Spread between wagon load and car prices of grain.
- (2) United Grain Growers Agency in Strathmore.
- (3) Destruction of grasshoppers.
- (4) Co-operative handling of milk and cream.

W. RISDON, President

Why the Boys Stay at Home

Not an idle moment from the time the girls and boys come in if you have a Columbia Gramophone. Time won't drag as long as the young people can dance and sing to their heart's content.

Come in and let us show you the Columbia Gramophone, and then hear some of the latest songs and dances played by only the Columbia Gramophone can play them. Then you will understand why the young folks want to stay home.

Here are a few new Columbia Records.

Come in and hear them!

Let the Band of the World Go By, and The Love Boat, Healey Walker, Prince's Dance Orchestra. \$1.00, \$1.50

Cocoonet Dance and Perillage, Elna S. Lee, Orchestra, and Fred Van Lys. \$1.00, \$1.50

The Ball of Abneybury, and The Ash Grove, Bell Jones, Walter Whitlock. \$1.00, \$1.50

The Love Nest from "May" and Blue Diamonds, The Love Nest, and Blue Diamonds. \$1.00, \$1.50

STRATHMORE TRADING COMPANY,
Columbia Dealers.

Any Farmer May Present

A PROPER FINANCIAL STATEMENT SUCH AS WILL BE ACCEPTED BY ANY BANK if he uses Scott's Simplified Accounting System for Farmers in connection with his farm operations.

It provides you with a monthly or yearly statement of Receipts and Expenditures in each department of your farm

for five years—And

at the end of your year sets forth the total farm production. The cost of production in each department, and the Net Profit and Loss which each has yielded.

The last word is simplicity.

It is SO SIMPLE any man who can read or write—a school boy or girl—can follow its principles—SO COMPLETE that it is heartily endorsed by Government and farmers' organization officials and leading financial men.

Beware of Imitations—Scott's is the only Farmer's Accounting System which provides forms in which a complete statement of every branch of your farm operations—month by month—for five years—is covered.

Copies may be obtained from

JOHN MACKENZIE, Strathmore.

The striking of oil at Port Norman in the Mackenzie river basin has resulted in the departure of several parties via dog team for the region to stake claims in advance of others who

will travel by the river route in the spring. At the present time every available berth on all the boats plying to the north has been taken for the spring months.

HELP YOUR MOULTERS MOULT

Moulting time is the time that a hen needs assistance. She is weak, rundown and out of sorts generally. It is the off-season in the life of the hen.

Think of the amount of hen's energy, vitality and red blood that's required to reproduce a thousand feathers! (which is only an average plumage).

A moulting hen needs good health, good appetite and good digestion.

Dr. Hess Poultrey

PAN-A-GE-A

Helps your poultry through the moult.—And starts your pullets and moulting hens to laying.

BUY AN IRRIGATED FARM FROM

THE CANADIAN PACIFIC RAILWAY BECAUSE—

Irrigation makes the farmer independent of rainfall, and insures good crops, not occasionally, but every year.
Irrigation makes possible the successful culture of alfalfa, the king of fodders, which insures good returns in dairying and mixed farming.
Irrigation means intensive farming and close settlement with all the advantages of a densely populated agricultural community.
Irrigation in the Canadian Pacific Railway Irrigation Block is no longer an experiment, the years that it has been tried having absolutely demonstrated its success wherever intelligently applied.

You can buy irrigated land from the Canadian Pacific Railway at prices averaging \$50 per acre, with twenty years to pay and the privilege of a loan of \$2,000 for improvements (4% interest, no principal after first payment until end of fourth year, reduced interest if settlement conditions are complied with and no water rental for first year. Contract can be paid off before maturity if desired.

This is the most liberal offer of irrigated farm in Canada on record. For full particulars, apply to

ALLAN CAMERON, General Supt. of Lands

Namaka Notes

Mr. H. Wooster who leaves for England on November 15th has now sold his farm, the purchase being Mr. Stephens, of the U.G. Securities Co. Mr. Stephens previous to entering above company was principal of the Carleton Agricultural School.

Mr. and Mrs. Wooster took an active part in the life of the Community, especially on its musical side and both possessing well trained voices were ever ready to give their services in any good cause. Mr. Wooster has also presided at the organ in the Methodist Church for several years. Mr. Wooster for some time during the war acted as secretary of the local Red Cross Society. Their many friends wish them "bon voyage" and good luck when they return to Canada. Mr. Wooster returns next March when he will dispose of his stock, etc., by public auction.

The canvassers for the U.F.A. drive in this township have made their first trip which was encouraging. Nearly every farmer in the district is giving his support to aid in the abolition of privilege. The farmers leader has lately been making some good fighting speeches.

The Railway Co. should make some attempt to illuminate the platform during evening train hours. One day missed her evening Saturday evening and sustained a nasty fall which might have had serious results.

Mr. Marr, of the British and Foreign Bible Society, is to lecture with lantern illustrations on the work of the society in the L.O.O.F. Hall on Wednesday at 8 p.m. The lecture promises to be interesting and instructive and it is hoped the public will respond.

Mr. Fred Shandley, Mr. Winter and the Messrs Shandley of Calgary are visitors at the Shandley ranch.

Mr. Despas has come up from Cluny to haul his share of grain from his farm here.

Mr. Wm. Marshall has been entertaining some goose hunters from Calgary.

The U.F.W.A. held a meeting at the home of Mrs. H. E. Thomas and was addressed by Mrs. O. E. Welch, District Director who discussed the political situation as it affected the farming community.
